

- **Private Research Institute, established in 2002**
- **Specialized in Computer Science**
- **Non-profit Association between:**
 1. RISC, Johannes Kepler University of Linz
 2. Computer Science Dept, West University of Timisoara
 3. Computers Dept, Politehnica University of Timisoara
- **Activity based on projects granted by:**
 - National, EU or International Agencies for Research
 - Companies for R&D activities
- **Activities:**
 - Research and development
 - Knowledge transfer & Software products
 - Education & Scientific event organization
- **Fields of competences:**
 - Distributed and parallel computing
 - Computational complexity & mathematics
 - Formal verification & Software engineering
 - Soft computing & Artificial intelligence
